Unit I, II, III

The main objectives of National Service Scheme (NSS) are:

- i. To enable the students to understand the community in which they work.
- ii. To make the students understand themselves in relation with their community
- iii. To identify the needs and problems of the community and find a solution of which they can be part of.
- iv. To develop among students a sense of social and civic responsibility
- v. To apply the education of students in finding practical solutions to individual and community problems.
- vi. To develop competence required for group living and sharing responsibilities as well as gaining skills in mobilizing community participation.
- viii. To acquire leadership qualities and democratic attitudes
- ix. To develop capacity to meet emergencies and natural disasters and
- x. To practice national integration and social harmony.
